

WHAT WE DO

We at the PS6 PTA have one job. To raise funds and responsibly use them to ensure our students have the best educational experience possible. While we fund enrichment activities like **music** and **art**, enhancement activities like **teacher professional** development and engagement activities like our **art therapy** program, the most impactful thing we do is pay for an additional **assistant teacher** in every classroom. What does this mean? It means that students attending PS6 classrooms enjoy a student to teacher ratio that meets and usually exceeds that of private elementary schools.

FUNDRAISING NEEDS

To maintain our school's legendary standard of education, In the 2021/2022 year, the PS 6 PTA must raise \$625,000.

The suggested donation is for every family to donate \$1,140 per child who attends PS 6.
